

Welcome to  
Mr. Amory Wong's  
MINT 8 Class!

## WORK and education

- Electronic Arts – 20 years
- PlayLand, 7-Eleven, Moki's Pizza, and more
- SFU Bachelors of Math and Computing Science
- SFU Bachelors of Education
- Douglas College, UBC, Langara College, VVI

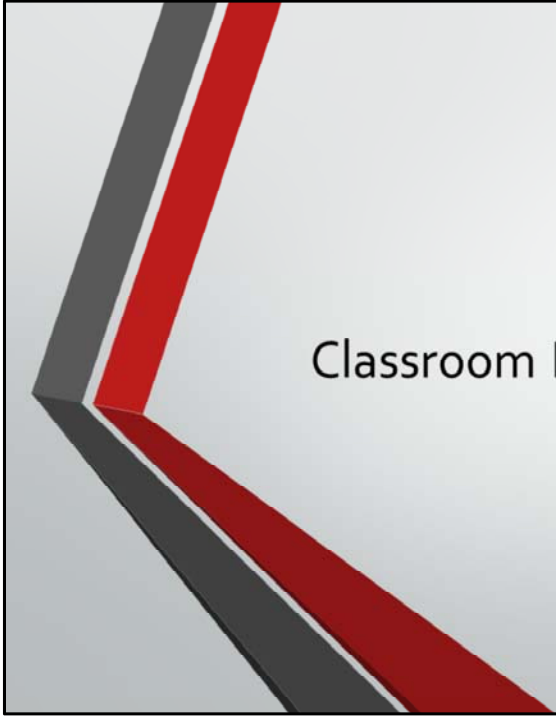

## Personal

- Family guy
- Learning
- Farming
- Sports
- Math and Computer
- Creating and Fixing

# Philosophy

- Professional
- Caring
- Collaborative
- Patient
- Innovative

# Classroom Procedures for Teacher and Students

to create a positive learning environment for all!

## Teacher Responsibilities

- Prepared
- Help
- Available
- Respect students
- Fun

Available before and after school every day. Generally not available during lunch.

## Student Responsibilities

- Prepared
- Participate
- Responsible
- Respect
- No playing games or watching non-related videos

## Lesson Format

- Video lessons
- Some lectures
- Assignments
- Rubric

Please watch all the lessons even if you think you know what to do. Most students lose marks because they skip videos. Videos are not long and you will be given enough time to complete the assignments.

## Course Outline

- 2 Microsoft Word Assignments
- 2 Microsoft PowerPoint Assignments
- 1 PowerPoint Presentation
- 2 Adobe PhotoShop Assignments
- All submissions to be done electronically through Managebac
- Missed assignments should be completed at home or after school
- Possible bonus assignments
- 3 months, so about 1 month per section

## Don't be Just Another Student

- CG Scholarships and Bursaries
- Reputation
- Not just academics
- Circle Plaque Awards
- Talk to teachers
- Join clubs or teams
- Enter contests (math, physics, others)
- Not only for school

Plenty of scholarships and bursaries for academics, arts, and trades

Build your reputation now!

Not just academic, community service, school service, athletics, leadership

Volunteer work should not be limited to school related

Subject awards

Circle Plaque for 5 years of consistently top grades for a subject

Let teachers know who you are and what you've done

It's important to do this so when you start looking for a job, you will stand out!

## Cheating

- Copying other people's work without giving credit (plagiarism)
- Letting other people copy your work
- Having other people do your work
- Doing other people's work
- A mark of zero may be assigned
- Parents may be notified
- Could end up on your school record
- Could impact your ability to get scholarships and bursaries

You will have less stress and have more self confidence if you keep up with your work!

Copying BITS of other's work is okay if you cite your sources.
